You've got me feeling emotions

deeper than I've ever dreamed of.

Woh, oh.
You've got me feeling emotions higher than the heavens above.

I feel good,
In the morning
when I rise

I've never felt so satisfied.
you are the first thing on my mind.

I'm in love,
And in the middle of the night

I'm alive.

In- tox- i- cated,
I feel your heart-beat
It feels like a dream
next to mine.

It feels like a dream
when you touch me tenderly.

I don't know if it's real but I
I don't know if you're for real

like the way I feel inside.

You've got me feeling emotions deeper than I've ever dreamed of.

Woh, oh. You've got me feeling emotions higher than the heavens above.

You know the way to make me lose control.
When you're looking into my eyes you
make me feel so high!

No proper shoes upon my feet. Sometimes I couldn't even eat.

I often cried myself to sleep, but still I had to keep on going,
never knowing if I could take it, if I would make it through the night. I held on to my faith.
I struggled and I prayed and now I've
found my way, found my way.
If you believe in yourself enough and know
what you want you're gonna make it happen. (Make it happen.)

And if you get down on your knees at night and pray to the Lord, He's gonna make it hap-
- pen. (Make it hap - pen.)

I know

life can be so tough, and you feel like giving up, but you

must be strong, baby, just hold on.
You'll never find the answers if you throw your life away.

I used to feel the way you do, still I have to keep on going.

If you believe in yourself enough and know what you want, you're gonna make it happen. (Make it happen.)
And if you get down on your knees at night and pray to the Lord, He's gonna make it happen.
